

■ Buy and sell currency products with **My Travel Wallet™**

What is My Travel Wallet?

My Travel Wallet (MTW) is a turnkey solution that is easily and securely accessed from the Internet. When you contract with Travelex for this service, you establish a link on your website for your clients to generate quotes and order foreign currency and/or prepaid travel cards directly from Travelex.

The Benefits of MTW

- **Profitable** – this is a new revenue stream
- **Easy** – products are delivered directly to your client
- **Flexible** - multiple products available in your FX offering
- **Fast** - foreign exchange rates available on demand from within the system and uploaded automatically daily
- **Convenient** – one-stop shop for your client's travel money needs
- **Simple** – it's an online system so there's no need to install hardware or software!

Simple ordering at the click of a button
