Aon Corporation, our ultimate parent company, and its affiliates have from time to time sponsored and invested in insurance and reinsurance companies. While we generally undertake such activities with a view to creating an orderly flow of capacity for our clients, we also seek an appropriate return on our investment. These investments, for which Aon is generally at-risk for potential price loss, typically are small and range from fixed-income to common stock transactions. In such case, the gains or losses we make through our investments could potentially be linked, in part, to the results of treaties or policies transacted with you. Please visit the Aon website at www.aon.com/market_relationships for a current listing of insurance and reinsurance carriers in which Aon Corporation and its affiliates hold any ownership interests.

Contracts and Agreements

Aon Corporation's operating affiliates are parties to numerous agreements with many insurance and reinsurance companies, including companies from which our clients have purchased insurance or reinsurance. Please visit www.aon.com/market_relationships for more detail on these agreements.

Your signature on your application, check, and/or other authorization for payment of your premium, will be deemed to signify your consent to and acceptance of the terms and conditions including the compensation, as disclosed above, that is to be received by Affinity.
